ITEM FOR COUNCIL CONSIDERATION

Approval of Measure A Cycle 4 Project Cooperative Agreement for the Safe Routes to School and Bicycle and Pedestrian Project Funding Grants

STAFF RECOMMENDATION

Action Item X; Non-Action Item ___

Approve and authorize the Mayor to sign the Measure A Cycle 4 Project Cooperative Agreement with the Santa Barbara County Association of Governments to receive $85,938 in grant funding for Safe Routes to School and Bicycle and Pedestrian Projects.

Sample Motion: I move to approve and authorize the Mayor to sign the Measure A Cycle 3 Project Cooperative Agreement with the Santa Barbara County Association of Governments to receive $85,938 in grant funding for Safe Routes to School and Bicycle and Pedestrian Projects.

BACKGROUND

In November 2008, voters in Santa Barbara County approved Measure A, which extends for 30 years the one-half percent sales tax for transportation purposes, first approved as Measure D in 1989. Measure A is administered by the Santa Barbara County Association of Governments (SBCAG). Measure A contains a strategic spending plan that includes regional projects as well as local programs and projects that will address the current and future needs of each community. The plan provides funding to local agencies for local street improvements (e.g. pothole repairs and pavement maintenance), local transportation capital improvements projects, increasing senior and disabled pedestrian accessibility/connectivity, improving school route pedestrian safety, and improving bicycle and transit facilities.
The City currently receives a population-based formula funding allocation of approximately $760,000 per year. This yearly allocation partially funds the Street Maintenance Program. Other funding for the Street Maintenance Program comes from Gas Tax, Right-of-Way Assessment Fund, Measure X Fund, and grants. The City is also eligible to receive competitive grant funding under the Measure A Safe Routes to School Grant Program and the Bicycle and Pedestrian Grant Program.

The City previously submitted applications and successfully obtained $551,112 in funding for six projects from the Cycle 1 Measure A Investment Plan, $263,623 for three projects from the Cycle 2 Measure A Investment Plan, and $447,044 for four projects from the Cycle 3 Measure A Investment Plan.

**DISCUSSION**

**Cycle 4 (Spring 2019)**

Similar to the Cycle 1 through 3 programs, eligible local agencies submitted project proposal applications. SBCAG staff reviewed the applications for completeness and forwarded them on to the scoring committee. The scoring committee comprised of representatives from each South Coast agency and the County. The scoring committee also included members from the Santa Barbara Bicycle Coalition, Santa Barbara Metropolitan Transit District (SBMTD), and Coalition for Sustainable Transportation (COAST). The scoring committee scored and ranked a total of 29 applications for both Measure A grant programs. Local agencies requested funding for projects that totaled $5.5 million. A total of $2.9 million was available to be awarded. A total of 17 of the 29 projects submitted received the full or partial grant funding requested.

The following City projects were awarded funding through the Bicycle and Pedestrian Grant Program:

**Project Descriptions**

**Bailard Avenue Street Improvements Project**

The purpose of this project is to construct sidewalk infill, ADA facilities, curb, gutter, and crosswalks along Bailard Avenue at the intersections with Carpinteria Avenue and Via Real adjacent to US-101 on and off-ramps and the Carpinteria Bluffs Nature Preserve. The project will improve safety for pedestrians and cyclists and potentially increase pedestrian and bicycling activity. The awarded Measure A Bicycle and
Pedestrian Program grant will be used for the Preliminary Engineering and Construction Phases of the project.

Linden Avenue & Dorrance Way Crossing Improvements Project

This project consists of constructing curb extensions and installing a crosswalk at Linden Avenue and Dorrance Way. The intersection is the only access point in the City over the UPRR crossing connecting the beach neighborhood and the Downtown area. The project will improve safety for pedestrians and cyclists, reduce vehicle speeds, and potentially increase pedestrian and bicycling activity. The awarded Measure A Bicycle and Pedestrian Program grant will be used for the Preliminary Engineering and Construction Phases of the project.

In the past, the City Council entered into this same cooperative agreement with SBCAG to receive the Cycle 1 through Cycle 3 Program funds. As the same requirement to receiving the Cycle 4 Program funds, the City must enter into a cooperative agreement with SBCAG. See attached. The cooperative agreement includes a requirement for the timely use of funds. For the City’s projects listed above, the Cycle 4 Program funds must be used before the end of the Fiscal Year 2021-22.

POLICY CONSISTENCY

All of the projects described herein address the goals, objectives, and policy statements in the Alternative Modes of Transportation section of the Circulation Element of the City of Carpinteria General Plan.

FINANCIAL CONSIDERATIONS

The two projects receiving Measure A Grant Programs Cycle 4 funding were selected based on the City’s Capital Improvement Plan, Measure A Program of Projects, Annual Work Plans, and the Public Works Department’s annual approved budget. A total of $85,938 was awarded to the City. Additional funding for each project, when needed, will be funded from a variety of local funds within the Public Works Department Budget.

This Cooperative Agreement ("Agreement") is entered into by and between the CITY OF Carpinteria ("Sponsor") and the SANTA BARBARA COUNTY ASSOCIATION OF GOVERNMENTS, acting as the Santa Barbara County Local Transportation Authority ("Authority" or "SBCAG").

RECATLALS

WHEREAS, Authority and Sponsor desire to enter into a Cooperative Agreement to coordinate the funding of transportation improvements in Santa Barbara County pursuant to the authority provided by the Road Repair, Traffic Relief and Transportation Safety Measure ("Measure A"), which was approved by the voters of Santa Barbara County on November 4, 2008; and

WHEREAS, the Sponsor has proposed that the Authority provide funding from the Measure A South Coast Regional Bicycle and Pedestrian program specified herein ("Program") to Sponsor’s projects for the particular transportation improvement project work specified herein ("Project"); and

WHEREAS, the Authority has determined that the Project is eligible as approved by the SBCAG Board on June 20, 2019 for Measure A funds; and

WHEREAS, the Authority is authorized to issue Measure A funds to Sponsor for eligible projects; and

WHEREAS, the Authority and Sponsor desire to have this Agreement serve as the Agreement for the Authority to provide Measure A funding to Sponsor for eligible projects proposed by Sponsor, provided that such funding has been authorized by the Board of the Authority.

NOW, THEREFORE, in consideration of the mutual promises and undertakings herein made and the mutual benefits to be derived therefrom, the parties hereto represent, covenant, and agree as follows:

SECTION I
Covenants of Sponsor

The Sponsor shall:

1.1 Project Description. The Project description, scope of work, delivery schedule, estimate of cost by activity, anticipated amount and type of funds that will supplement Measure A funds, and the anticipated timing for release of Measure A funds are specified in
Attachments A through B attached to this Agreement and incorporated herein by reference. Sponsor shall be solely responsible for implementing and carrying out the Project.

1.2 **Change In Project Description.** Any change in the Project Description shall not be eligible for funding by Authority unless approved in writing by the Authority. Any portion of the Project implemented by Sponsor prior to Authority’s written approval shall not be eligible for reimbursement unless subsequently approved by the Authority in writing, and in no event will any change in scope result in the Authority reimbursing more than the amount awarded for the Project.

1.3 **Eligible Reimbursement Costs.** Eligible project costs are specified in Attachments or as may be approved from time to time by the Authority pursuant to Section 1.2. In no event shall expenses incurred prior to the execution of this Agreement be considered eligible reimbursement costs.

1.4 **Measure A Percentage Share Defined.** Measure A funding is being provided by Authority to Sponsor for the Projects in Attachments A through B. The percentage share of Measure A funding shall be the Measure A Percentage shown in a project’s respective attachment, and shall not exceed the total Measure A amount shown in the same attachment. Each invoice submitted by Sponsor shall be reimbursed by Authority at this percentage up to the not to exceed total Measure A amount shown in the attachment. Sponsor matching funds shall be used to pay for the remainder of Project costs.

1.5 **Invoices and Progress Reports.** Sponsor shall submit semi-annual progress reports and invoices for work completed consistent with the Program guidelines as adopted by the SBCAG Board on October 18, 2018. These documents shall include the following specified information:

1.5.a **Invoices.** The Sponsor shall provide the Authority with one (1) copy of all invoices submitted to Sponsor by every contractor, subcontractor, consultant, or subconsultant as appropriate and any other backup documentation required to support direct and indirect costs for which a Sponsor submits an invoice.

1.5.b **Progress Reports.** Progress reports shall include a brief description of the status of the Project including the work completed to date. This summary may be included on the invoices submitted to the Authority or be attached to those invoices.

1.6 **Use of Funds.** The Sponsor shall use existing Measure A funds consistent with the project description in Attachments to this Agreement or as approved by the Authority pursuant to Section 1.2.

1.7 **Submittal of Documents.** The Sponsor shall provide copies to the Authority of all executed contracts that relate to the Project scope as described in Attachments to this Agreement and Section 1.3 or approved by the Authority pursuant to Section 1.2. The Sponsor shall retain records pertaining to the Project for a five (5) year period following completion of the Project.
1.8 **Completion of Project.** Sponsor shall be responsible for meeting the timely use of funds deadlines in corresponding Attachments. Unused funds programmed to the Project will be forfeited and be made available by the Authority for programming to other projects in a special or subsequent funding cycle. Sponsor shall provide management of any consultant and contractor activities, including responsibility for schedule, timely use of funds, budget and oversight of the services, consistent with the scope of work. This provision shall apply in all instances, including situations where a change in scope has been approved by the Authority pursuant to Section 1.2.

1.8.a **Project Completion Report.** Within 6 months of Project completion, Sponsor shall provide a project completion report to Authority that includes final cost, revenues, and schedule of completed and future activities. For construction projects, pictures of the completed project must accompany the report. Whenever possible, pictures of the “before” project conditions should also be submitted. This Report shall accompany the final invoice for payment from Sponsor to provide notice of Agreement account closing by Authority. The Report shall meet all requirements set forth in the Authority’s Program Guidelines.

1.8.b **Timely Use of Funds Extension.** In accordance with Authority’s Cycle 4 Program Guidelines Timely Use of Funds policy, Sponsor may request one extension of up to 12 months for plans and studies, up to 6 months for preliminary engineering, environmental, and design projects, and up to 18 months for construction projects. Extension requests will be presented to the South Coast Subregional Committee which will make recommendations to the SBCAG Board.

Authority may extend the deadline for timely use of funds no more than one time and only if it finds that an unforeseen and extraordinary circumstance beyond the control of the Sponsor has occurred that justifies the extension. The extension will not exceed the period of delay directly attributed to the extraordinary circumstances and will in no event be for more than the duration described in the above paragraph and in Authority’s Cycle 4 Program Guidelines.

1.9 **Public Outreach.** The Sponsor is responsible for development and administration of a public outreach effort to ensure public awareness and involvement in the Project development and delivery process. The Sponsor shall provide a copy of the public outreach plan and all materials documenting the public outreach activities, including public notices, press releases, flyers, etc. to the Authority. The public outreach plan must accompany the first invoice for payment from Sponsor. The materials documenting the public outreach activities must accompany the final invoice for payment from Sponsor.

1.10 **Provision of Signs.** Sponsor shall install signs consistent with the Authority’s Project Signs Guidelines and Specifications as adopted by the SBCAG Board on August 18, 2011, or as appropriate.

1.11 **Cost Savings and Excess Costs**
1.11.a **Cost Savings.** After the Project has been accepted by the Sponsor and Authority as complete, any positive difference between the cost, as listed in Attachments to this Agreement or approved by the Authority pursuant to Section 1.2, and the total amount invoiced to the Authority shall revert to the Measure A program for re-programming by the Authority on other eligible projects.

1.11.b **Excess Costs.** In the event the actual Project cost exceeds the estimate shown in Attachments to this Agreement, this amount will be considered an excess cost. Sponsor is solely responsible for all costs over the amount identified in Section 1.3 or as approved pursuant to Section 1.2.

1.11.c **Reconciliation of Excess Costs.** Excess project costs to complete a project are not eligible for reimbursement unless approved pursuant to Section 1.2. The amount of Measure A funds as identified in Section 1.3 are the maximum funds available for reimbursement to the Sponsor and cannot be increased unless agreed to by the Authority pursuant to Section 1.2. The Sponsor shall request an amendment if needed for this purpose in writing to the Authority. Such amended Agreement shall be effective only if signed and approved by the duly authorized representatives of both the Authority and Sponsor.

1.12 **Errors and Omissions.** The Sponsor shall diligently monitor and manage all aspects of the Project and shall aggressively pursue any and all remedies, including full restitution and damages from any consultant, contractor or sub-contractor and their insureds and sureties suspected of any acts, errors, or omissions committed during business activities that economically or legally damage the project.

1.13 **Division of Labor and Materials.** Sponsor agrees to furnish or cause to be furnished all labor, materials, equipment, required licenses, permits, fees, and other appropriate legal authorization from all applicable federal, state, and local jurisdictions necessary to perform and complete, per schedule, in a professional manner, the obligations described herein.

1.14 **Implementation of Project.** Sponsor may implement projects herein through private organizations and nonprofit entities as designated on the Attachment.

### SECTION II

**Covenants of Authority**

The Authority shall:

2.1 **Reimbursement Payments.** The Authority shall make reimbursement payments to the Sponsor or implementing party designated pursuant to Paragraph 1.14 for eligible project costs within 45 days of receipt of an invoice as specified in the Attachments to this Agreement, except where payment is subject to provisions of Paragraphs 2.1.a through 2.1.b.4.
2.1.a **Ineligible Costs.** The Authority reserves the right to adjust current or future reimbursement payments to Sponsor if an invoice includes ineligible costs.

2.1.b **Suspension of Reimbursement.** If the Authority determines that any costs in an invoice are not allowable, or lack supporting progress reports, the Authority shall return the invoice to the Sponsor with an invoice dispute notice outlining the reason for the return and the proposed remedy, if one exists, which would make the invoice acceptable for payment. The Sponsor may re-submit the invoice for payment after reviewing the invoice dispute notice and making any necessary corrections. The Sponsor may also immediately submit a new invoice representing only the amounts which are not in dispute, while setting aside the disputed amounts for review in accordance with the provisions set forth in this Section 2.1.

2.1.b.1 **Meeting.** Once a dispute has occurred, the Authority shall arrange a meeting between Authority and Sponsor staff to discuss and attempt to resolve the dispute.

2.1.b.2 **Subregional Committee.** If an agreement cannot be reached at the meeting, then the Sponsor or the Authority shall have the option to take the dispute to the Authority's South Coast Subregional Committee, as appropriate. In this case reimbursement for the disputed cost item(s) will be delayed until a resolution of the matter is reached.

2.1.b.3 **Authority’s Board Decision.** If the Sponsor or the Authority disagrees with the resolution by the Subregional Committee then the dispute shall be submitted to the Authority’s Board for resolution. If the Board determines that the disputed cost item(s) is ineligible, the Authority shall not provide reimbursement payment to the Sponsor for the disputed item(s). If the Board determines that the disputed cost item(s) is eligible, then the Authority shall provide reimbursement payment to the Sponsor for the disputed cost.

2.1.b.4 **Reservation of Rights.** By utilizing the above procedures, the Sponsor does not surrender any rights to pursue available legal remedies if the Sponsor disagrees with the Board decision.

2.2 **Authority’s Payment shall not constitute Waiver.** Authority’s failure to discover or object to any ineligible project cost or billing prior to payment shall not constitute a waiver of Authority’s right to require Sponsor to correct such work or billing or seek any other legal remedy.

2.3 **Right to Conduct Audit; Record Keeping.** The Authority shall have the right to conduct an audit of all Sponsors’ records pertaining to the Agreement at any time during the course of construction and up to a five (5) year period after completion of the Agreement.

2.4 **Records.** Sponsor shall keep and provide to Authority or its agents, upon request, accurate financial records (including invoices and published price lists on which this Agreement was
based) necessary to enable Authority to review Sponsor’s performance of this Agreement. These records shall demonstrate the funding has been used as described in the Project Description. Sponsor shall maintain all such records for at least five years after completion of the project.

SECTION III
General Covenants

3.1 **Term.** The Sponsor shall commence performance in accordance the Cycle 4 Guidelines and the delivery schedule set forth in Attachments A through B. The Agreement shall remain in effect until June 30, 2022 unless discharged or terminated as provided in Section 3.2 or Section 3.14, or unless otherwise directed by SBCAG or unless earlier terminated.

3.2 **Discharge.** This Agreement shall be subject to discharge as follows:

3.2.a **Termination.** Termination of this Agreement may be made (1) upon 30-days written notice to the other party; or (2) at any time by mutual consent of the parties.

3.2.b **Discharge Upon Completion of Projects.** Except as to any rights or obligations which survive discharge as specified in Section 3.13, this Agreement shall be discharged, and the parties shall have no further obligation to each other, upon completion of the Projects as certified by the Authority.

3.3 **Indemnity.** Sponsor agrees to indemnify, defend (with counsel reasonably approved by SBCAG) and hold harmless SBCAG and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys’ fees) incurred by SBCAG on account of any claim except where such indemnification is prohibited by law. Sponsor’s indemnification obligation applies to SBCAG’s active as well as passive negligence but does not apply to SBCAG’s sole negligence or willful misconduct.

3.4 **Notices.** Any notice which may be required under this Agreement shall be in writing and shall be given by personal service, or by certified or registered mail, return receipt requested, to the addresses set forth below:

3.13.c **Both Parties.** As to both parties, the following section shall survive discharge: Section 3.3. (indemnity).

If for any reason the Authority's right or ability to collect or expend such sales tax proceeds is terminated or suspended in whole or part so that it materially affects the Authority's ability to fund the Project, the Authority shall promptly notify Sponsor, and the parties shall consult on a course of action. If, after twenty-five (25) working days, a course of action is not agreed upon by the parties, this Agreement shall be deemed terminated. Maintenance of records, right to audit, and indemnification shall survive. Any future obligation to fund this project or any other project or projects of Sponsor, not already specifically covered by separate Agreement, shall arise only upon execution of a new Agreement.

3.16 **Remedies Cumulative.** No remedy or election of remedies provided for in this Agreement shall be deemed exclusive, but shall be cumulative with all other remedies at law or in equity. Each remedy shall be construed to give the fullest effect allowed by law.

3.17 **Applicable Law.** This Agreement shall be governed by, and construed and enforced in accordance with the laws of the State of California. As applicable, the Cycle 4 Guidelines are incorporated herein by reference.

3.18 **Captions.** The captions in this Agreement are for convenience only and are not a part of this Agreement. The captions do not in any way limit or amplify the provisions of this Agreement and shall not affect the construction or interpretation of any of its provisions.

3.19 **No Continuing Waiver.** The waiver by any party of any breach of any of the provisions of this Agreement shall not constitute a continuing waiver or a waiver of any subsequent breach of the same, or of any other provision of this Agreement.
